File No. Local Boards II/50 (R)

271-B

Legal Department

A draft notification incorporating the proposed rules is sent herewith. In view of the proviso to section 133 of the Bombay Local Boards, Act, 1923, it will be necessary to publish the Notification for inviting objections and suggestions.

2. (i) Health and Local Government Department draft rules regarding Account Clerks : The Health and Local Government Department draft rule 1 has been recast with a view to make the intention clear.

Sub-rule (iii) of Rule 1 of the Rules for the Accounts Clerks' Examination has been amended on the presumption that the passing of the Accounts clerks examination is necessary even for holding such post in leave vacancy of the substantive holder of the post,. The Local Self Government and Public Health Department should verify whether this presumption is correct.

(ii) Draft rule 6 : The Health and Local Government Department draft rule 6 provides that all persons who have already been confirmed as Accounts Clerks shall be exempted from passing the examination. This rule is no longer necessary although it found place in the rules in Government Resolution, General Department No. 3362 dated the 10th July 1931 under which the examination was compulsory even for accounts clerks. This rule has, therefore, been deleted from the revised set of the rules.

3. (i) Health and Local Government Department draft rules regarding Accountants :- The Health and Local Government Department draft rule 1 has been recast to make the intention clear.

(ii) Health and Local Government Department draft rule 6 : This rule is not necessary in view of the revised rule 1 and has, therefore, been omitted.

File 2516

Legal Department.

The requisite draft notification incorporating the revised rules for the conduct of ~~xx~~ examinations qualifying for the appointments of Accounts Clerks and Local Funds Accountant of District Local Boards have been forwarded to the L.S.G. and P.H D. with L.D. U.R. No. 2580, dated the 22nd February 1950. Sub-rule (3) of rule 4 of the said revised rules already provides for the time limit during which any exemption secured by a candidate can be availed of. The sub-rule (3) however provides that the exemption shall not be available if he fails to pass the whole examination at any one of the next two succeeding examinations. The proposal in this file however is that a candidate in order to avail of the exemption must appear for and pass the remaining subject or subjects within the next five years. Sub-rule (3) of rule 4 of the said rules may therefore be recast as follows :-

"(3) An unsuccessful candidate who has ~~xxx~~ obtained 45 per cent or more of the marks obtainable in a paper shall be exempted from appearing again in that paper, provided that the said exemption shall not be available if he fails to pass the whole examination within a period of the next succeeding five years.
